Dear colleagues,
We invite you to take part
in the XII All-Russian
scientific and technical conference
"Topical Issues of Architecture
and Construction"
in the following sections:

1. 1. Building structures and foundations. Calculation of constructions (Section Chairman - Mitasov V.M., Dr. Tech. sciences, professor):
   1.1. Reinforced concrete structures
   1.2. Calculation of structures
   1.3. Metal structures
   1.4. Wooden and plastic structures
   1.5. Basements, foundations and engineering geology
2. Modern problems of architecture and urban planning (Section Chairman – Gudkov A.A., Ph.D. Architecture, associate professor):
   2.1. Actual problems of the architectural environment transformation in modern conditions
   2.2. Architecture and reconstruction of urban environment
   2.3. Actual issues of urban development and housing and utilities infrastructure
3. Environmental technologies of water management and water-energy complexes, energy saving (Section Chairman - Kosolapova I.A., Ph.D. Tech. sciences, associate professor):
   3.1. Modern problems of hydrotechnical construction and organization of geodesic control during safety monitoring
   3.2. Environmental technologies, processing and recycling of technogenic formations and waste
   3.3. Heat and gas supply, ventilation and air protection
4. Technology, organization and mechanization of construction (Section Chairman - Molodin V.V., Dr. Tech. sciences, associate professor):
   4.1. The technology of construction work under extreme climatic conditions
   4.2. Organization and management of construction
   4.3. Mechanization and automation in construction
5. Information technologies, mathematical modeling and data interpretation methods (Section Chairman - Voskoboinikov Yu.E., Dr. Phys.-Mat. sciences, professor)
6. Special aspects of construction industry specialists language training in modern conditions (Section Chairman - Satretdinova R.S., Ph.D. Philology, associate professor)

Terms of participation in the conference

To participate in the conference you should send to the email address of the organizing committee (ntio@sibstrin.ru) before January 30, 2019:
- application (attached);
- theses of the report (1 page A5);
- make sure that the application and theses are received, tel. (383) 266-25-27 . Materials received by the organizing committee later than January 30 are not considered.

Theses of the reports will be published in the author' edition in electronic form prior to the conference and posted on the official website of the University: http://www.nauka.sibstrin.ru

The authors of the reports included in the conference program will receive the second information letter of invitation, in which the requirements for the reports presentation will be specified. According to the results of the conference, a collection of materials will be published, which will include the reports recommended by the sections. The collection of conference materials is included in the RSCI.

For outside participants there is a registration fee in the amount of 500 rubles (post-graduate students will not be charged). The registration fee can be paid at registration or by a bank transfer to the account of the University, which will be specified in the second information letter-invitation.

We invite you to participate in other
scientific events of
NSUACE (Sibstrin) in 2019

1. April 2-4, 2019, Scientific and practical conference "Innovative Development and Implementation of Digital Economy Development in Russia"
   Coordinator – Semenikhina V.A., Ph.D. Econ. Sciences, professor
   E-mail: k.ngasu@yandex.ru
   Telephone: (383)266-27-93; +7(913)458-56-58
2. April 2-4, 2019, The IV All-Russian conference "Quality and Innovations–the Basis of Modern Materials and Technologies»
   Coordinator – Smirnova O.E., Ph.D. Tech. sciences, associate professor
   E-mail: smirnova.olj@yandex.ru
   Telephone: (383)266-42-94
3. Roundtable discussion "The World Practice of Solving Construction and Ecology Problems" (in English)
   Moderator – Skolubovich Yu.L, Dr.Tech.sciences, professor, cor.member of RAABS, rector of NSUACE (Sibstrin)
   Telephone: (383) 266-28-89

APPLICATION
for participation in the XII All-Russian
scientific and technical conference
"Topical Issues of Architecture
and Construction"

Surname _____

Name _____

Patronymic _____

Position _____

Academic degree_____

Academic rank_____

Name of the organization (in full)

_____

_____

Address (with zip code)_____

_____

Telephone, fax (with city code)_____

E-mail (required)_____

Title of the report_____

_____

_____

Name of the section to which the report is submitted_____

_____

Technical means required to demonstrate the report_____

Date

Author's signature(s)

Address of the organizing committee: Scientific Information Department of NSUACE (Sibstrin), 113, Leningradskaya st., office 337, Novosibirsk, Russia 630008

Secretary of the organizing committee – Aparina U.A., director of SID

Telephone, fax: (383) 266-25-27; e-mail: ntio@sibstrin.ru

Information about scientific events and conditions for participation in them will be posted on the official website of the university www.sibstrin.ru in the section "Publications and Conferences".

Submission Requirements for Report Theses

Volume - up to 1 page, paper size - A5 (148 × 210 mm), portrait orientation
Margins: top – 20 mm,   bottom – 25 mm,
                  left - 20 mm, right - 20 mm.
Hyphenation (words): automatic, the width of the hyphenation zone-0.01
Binding – 0 mm
Footer distance from edge: top – 0 mm, bottom – 21 mm
Font: Times New Roman.

Theses' element	Requirements for layout			
	Font size	Face	Justification	P (T)* 1 cm
Title	11	**BOLD**	Left aligned	T
N.P. Surname	11	**BOLD**	Left aligned	T
Academic degree, academic rank, position	9	Normal	Left aligned	T
Organization, city (in brackets)	11	**BOLD**	Left aligned	
Text	11	Normal	In width	P
Formula	11	*Italics*	on the center	–

* P – paragraph indent (first line); T – tabulation

Example:

TITLE
A.V. Ivanov, Dr. Tech. sciences, professor, **T.V. Somov,** Ph.D. Tech. sciences, associate professor **(NSUACE (Sibstrin), Novosibirsk), V.M. Sobolev,** graduate student **(KuzSTU, Kemerovo)**
